Society and Social Change Cluster Postgraduate offerings in 2014

The Cluster of Society and Social Change in the School of Social Sciences invites you to join us as a Masters/PhD student in our exciting Programmes. We offer graduate programmes in **History, Industrial, Organizational and Labour Studies, Social Policy and Sociology.**

Our former students who have successfully completed their Masters/PhD programmes are working in diverse occupations in academia, government departments, NGOs, industry and in the private sector. We have students currently working as director of museums, CEO of NGOs, academics, archivists, health professionals, diplomats, researchers, programme directors and research consultants. Opportunities are unlimited for those who graduate in these programmes. You will enjoy doing your Masters/PhD with us, which will take you to new experiences and opportunities in life. All these programmes are offered on the Howard College campus while History and Sociology are offered on both Howard College and Pietermaritzburg campus.

Students undertaking full-time research masters studies or research doctoral studies will receive 100% remission of fees.

For more information regarding the programmes and application procedures visit the School website: <http://sss.ukzn.ac.za> or email socialsciences@ukzn.ac.za
