

APPLICATIONS FOR 2023

NOW OPEN!

GRADUATE PROGRAMME IN PUBLIC POLICY

Public policy refers to the rules, regulations, legislation and judicial decisions made developed by government to bring about desired outcomes in a country's the political, social and economic environments. Over the past 20 years, there has been a growing demand in South Africa and other countries, for policy practitioners. The Public Policy programme is designed to meet this need. The programme aims to produce skilled policy analysts, advisors and researchers who have the skills and abilities needed for developing sound policy approaches or conducting effective policy analysis, and research.

WHY STUDY WITH US?

With Honours, Masters and Doctoral qualifications, the Public Policy programme has produced graduates who have found jobs in a range of different areas such as: the media, diplomatic positions, national, provincial and local governments, research organizations, Political Parties, Non-governmental Organizations (NGOs), and Academic institutions.

ADMISSION REQUIREMENTS

- Honours in Public Policy Programme requires an undergraduate degree in Political Science, Sociology or cognate disciplines with a minimum average mark of 60%.
- Coursework Masters requires a background in Sociology, Political Science or cognate disciplines and minimum Honours average mark of 60%. Admission to Full Research Masters requires an Honours degree in Public Policy with a minimum average mark of 65%.
- For doctoral program, the requirement is Master's degree in Public Policy with a minimum average mark of 65%.
